This transmission is intended for the sole use of the individual and entity to whom it is addressed, and may contain information that is privileged, confidential, and exempt from disclosure under applicable law. You are hereby notified that any dissemination, distribution, or duplication of this transmission by someone other than the intended addressee or its designated agent is strictly prohibited. If your receipt of this transmission is in error, please notify this firm immediately by collect call to (703) 205-8000, and send the original transmission to us by return mail at the address above.

**Comments:** Dear Examiner Shiao,

To confirm the discussion in our telephonic interview today, Applicants do not wish to amend the claims to exclude reaction promoters. As disclosed in the specification (pages 21-28), promoters or co-catalysts are contemplated herein. As disclosed on page 27, for instance, strong acids may be used as promoters.

Very truly yours,

Richard Gallagher
